

**MAIA 6**  
**[2021 - 2023]**

Girona, May 4, 2021

Dear **Kazi Saeed Alam**,

We're pleased to hereby officially inform you that you have been selected for an **Erasmus+: Erasmus Mundus Joint Master (EMJMD) scholarship (2021-2023)**, provided by the European Union, awarded for your participation in the MAIA programme. Acceptance is conditioned on successful completion of your Bachelor's degree, if you haven't completed this level yet.

Offer date:	May 4, 2021
Master's programme title:	Erasmus +: Erasmus Mundus Joint Master in Medical Imaging and Applications (MAIA)
Study mode:	Full-time, on campus, English taught course
Programme duration:	24 months

Contribution to installation costs*:	1000 € for whole programme duration

*\* The above-mentioned monthly allowance and contributions to travel and installation costs will be paid directly to the students following a fixed monthly payment schedule. They are calculated on the basis of their specific situation, complying with the EACEA rules explained in the Calculation of scholarship.*

Your place of residence:	Sirajganj - Bangladesh
Distance from UdG:	7975 km

The coordinating institution will be in charge of the participation costs and student's insurance pack costs covered by the grant. Students will receive and be informed during the induction week about this special insurance pack.

In the next weeks, after receiving your RTO form and the list of students selected by our consortium and approved by the Education, Audiovisual and Culture Executive Agency, our administration staff will send you, by e-mail, a MAIA E+: EM granted student Information Pack.

This Information Pack will contain official letters you will be needed for all visa applications, and other procedures throughout your study period.

Due to the COVID-19 emergency situation we will not send a hard copy of the documents, instead we will give them during the Induction Days in Le Creusot.

In case you need original documents for VISA purposes, please, contact us and we will contact the embassy/consulate directly to support your application. You should provide us with the contact email of the embassy/consulate.

You will also receive further information for practical and administrative organization of your stay in Europe (banking, housing, visa details, insurances, traveling etc.).

Please note that **this 2021-2023 programme admission is conditioned** on compliance with any future national and University Coronavirus pandemic related restrictions.

The academic and administrative organisation and timeline of *academic year 2021-2023 start off may evolve accordingly*, of which the students will be informed

Don't hesitate contacting us if you need any further information.

Looking forward to hearing from you,  
With kind regards,

  

Arnau OLIVER
